

CLEAN-IT DRAIN BLASTER

Sink & Drain Unblocker

Description

Bond It DRAIN BLASTER is a sodium hydroxide based drain unblocker for dissolving blockages and eradicating bad odours.

- **Dissolves blockages in 15 minutes**
- **Kills germs and eliminates bad odours**
- **For use in sinks, showers and bath plug holes**
- **Safe to use in all pipes**
- **Sinks through standing water**

Uses

Suitable for unblocking drains and dissolving blockages in sinks, showers and pipes. This product is not for use in toilets.

Application

1. Pour the entire contents of the bottle down the plughole.
2. Allow to stand for 15 to 20 minutes. For tough blockages leave overnight.
3. Flush through with plenty of hot water.

To keep sinks and plugholes clear, use 100ml of Bond It **DRAIN BLASTER** once a week.

Limitations

Avoid contact with gold plated fittings. Do not use with waste disposal units or in toilets. Not recommended for systems that run into a septic tank. Important: Open bottle carefully. Do not squeeze bottle. Avoid splashing. When using product, keep hands, face and children away from the treated areas. Do not re use empty bottle. Do not use a plunger after treating a drain with DRAIN BLASTER as the chemical may still be present if the plughole has not cleared totally.

Health & Safety

DO NOT USE WITH OTHER PRODUCTS. MAY RELEASE DANGEROUS GASES (CHLORINE). Causes severe skin burns and eye damage. Do not breathe dust/fume /gas/mist/vapours/ spray. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face

protection. IF SWALLOWED: rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. Keep out of the reach of children.
