CLEAN IT RANGE

NATURAL TILE SEALER & POLISH

For Ceramic Tiles & Natural Stone

Description

A high sheen, gloss sealer and polish for natural stone and unglazed wall and floor tiles. Can also be used to seal porous natural stone work tops.

Uses

Designed to seal and polish all natural stones and unglazed floor and wall tiles. Can also be used on porous natural stone work tops.

- seals & polishes walls & floors in 1 application.
- revives dull tiles.
- leaves a rich high lustre finish.
- non-slip properties for floors.
- low VOC's.

Application

1. Shake the bottle before use.
2. Ensure all surfaces are clean and dry.
3. Ensure any surrounding glass or non porous surfaces are protected from splashes.
4. Spray on to the surface and using either a fine brush or lint free cloth wipe over the area without leaving any pooling or puddling.
5. Allow to dry.
6. Clean tools with warm, soapy water.

Note: this product takes up to 7 days to give maximum protection. As all surfaces differ, it is recommended that this product is tested on a small inconspicuous area to determine suitability for use. It is the users responsibility to determine suitability. Turn off any underfloor heating before use and do not use on surface temperatures below 10°C.

Maintenance

Use Bond It **NATURAL TILE SEALER & POLISH** to clean tiles and maintain appearance.

Limitations

Not suitable for highly polished tiles.

Storage Conditions

Store in cool, dry conditions in a sealed container. Protect from frost, high temperature and direct sunlight.

Shelf Life

Up to 12 months when stored according to manufacturers instructions.

Disposal of Containers

Do not leave empty containers where residue could be harmful to children, animals or the environment. Containers can be recycled.

Health & Safety

- ◆ Keep away from children.
- ◆ If swallowed consult your doctor immediately and show packaging and label information.
- ◆ Do not inhale spray.
- ◆ After use wash hands thoroughly.
- ◆ Safety data sheet available for professional user on request.
