

SAFETY DATA SHEET according to 1907/2006/EC, Article 31

# POWER PROOF CLP

Revision 1

Page 1/5

Revision date 2015-05-20

<b>SECTION 1: Identification</b>	n of the sub	stance/mix	ture and of	the company/und	ertaking		
1.1. Product identifier							
Product name	POWE	R PROOF C	LP				
1.2. Relevant identified uses	of the subst	ance or mix	ture and use	es advised against			
Description	Building	g chemical.					
1.3. Details of the supplier o	f the safety o	lata sheet					
Company	SEAL I	T SERVICE	S LTD				
Address	Lowfiel Elland,	ND IT I6 Riverbank ds Business orkshire HX	Park,				
Web	www.b	ond-it.co.uk					
Telephone	01422	315300					
Fax	01422						
Email		bond-it.co.u	k				
1.4. Emergency telephone n	lumber						
Emergency telephone numb							
	8.30AN	1 - 5.30PM N	1on-Fri				
SECTION 2: Hazards ide	ntification						
2.1. Classification of the sub	stance or mi	xture					
Main hazards	No Sig	nificant Haz	ard				
2.2. Label elements							
Risk phrases	No Sig	nificant Haz	ard				
2.3. Other hazards							
Other hazards	No data	a is available	on this pro	duct.			
SECTION 3: Composition	/informatio	n on ingred	ients				
3.1. Substances	, montation						
67/548/EEC / 1999/45/EC							
Chemical Name	Index No.	CAS No.	EC No.	REACH Registration	Conc.	Classification	M-factor.
Ligfluid 50CW				Number	(%w/w)		
EC 1272/2008							
Chemical Name	Index No.	CAS No.	EC No.	REACH Registration Number	Conc. (%w/w)	Classification	M-factor.
Ligfluid 50CW sodium lauryl ether sulphate		3088-31-1	221-416-0			Skin Irrit. 2: H315; Eye Dam. 1: H318;

### Revision 1

Revision date 2015-05-20

OFOTION 4. First sid messes	
SECTION 4: First aid measu	
4.1. Description of first aid meas	
Inhalation	Move the exposed person to fresh air.
Eye contact	Rinse immediately with plenty of water for 15 minutes holding the eyelids open.
Skin contact	Wash off immediately with plenty of soap and water. Remove contaminated clothing.
Ingestion	DO NOT INDUCE VOMITING.
4.2. Most important symptoms a	and effects, both acute and delayed
Inhalation	May cause irritation to mucous membranes.
Eye contact	May cause irritation to eyes.
Skin contact	May cause irritation to skin.
Ingestion	May cause irritation to mucous membranes.
4.3. Indication of any immediate	medical attention and special treatment needed
Eye contact	Seek medical attention if irritation or symptoms persist.
Skin contact	Seek medical attention if irritation or symptoms persist.
Ingestion	Seek medical attention if irritation or symptoms persist.
SECTION 5: Firefighting mea	asures
5.1. Extinguishing media	
	Use extinguishing media appropriate to the surrounding fire conditions.
5.2. Special hazards arising fror	
E Q. Advise for frefichters	Burning produces irritating, toxic and obnoxious fumes.
5.3. Advice for firefighters	
	Wear suitable respiratory equipment when necessary.
SECTION 6: Accidental relea	ase measures
	ase measures active equipment and emergency procedures
	ective equipment and emergency procedures
6.1. Personal precautions, prote	Exerctive equipment and emergency procedures Ensure adequate ventilation of the working area.
<ul><li>6.1. Personal precautions, prote</li><li>6.2. Environmental precautions</li></ul>	Ensure adequate ventilation of the working area. Do not allow product to enter drains. Prevent further spillage if safe.
6.1. Personal precautions, prote	Ective equipment and emergency procedures         Ensure adequate ventilation of the working area.         Do not allow product to enter drains. Prevent further spillage if safe.         pontainment and cleaning up
<ul><li>6.1. Personal precautions, prote</li><li>6.2. Environmental precautions</li></ul>	Absorb with inert, absorbent material.

Prevent further spillage if safe.         cntainment and cleaning up         Absorb with inert, absorbent material. Sweep up. Transfer to suitable, labelled containers for disposal. Clean spillage area thoroughly with plenty of water.         See section 13.Disposal Considerations for further information. See section 8.PPE for further information.         Storage         10g         Avoid contact with eyes and skin. Ensure adequate ventilation of the working area. Adopt best Manual Handling considerations when handling, carrying and dispensing.         including any incompatibilities         Keep in a cool, dry, well ventilated area. Keep containers tightly closed. Store in correctly labelled containers.         Building chemical.

No data is available on this product.

# POWER PROOF CLP

Revision 1 Revision date 2015-05-20

8.2. Exposure controls	
8.2.1. Appropriate engineering	Ensure adequate ventilation of the working area.
controls	
8.2.2. Individual protection	Wear protective clothing.
measures	
Eye / face protection	In case of splashing, wear:. Approved safety goggles.

#### **SECTION 9: Physical and chemical properties**

#### 9.1. Information on basic physical and chemical properties

Appearance	Liquid
Colour	Red
Odour	Characteristic
рH	8.5
Melting point	No data available
Freezing Point	No data available
Initial boiling point	No data available
Flash point	No data available
Flammability (solid, gas)	No data available
Vapour pressure	No data available
Relative density	No data available
Partition coefficient	No data available
Vapour density	No data available
Evaporation rate	No data available
Fat Solubility	No data available
Autoignition temperature	No data available
Explosive properties	No data available
Oxidising properties	No data available
Viscosity	No data available
Solubility	Soluble in water

### 9.2. Other information

Conductivity	No data available
Gas group	No data available
Surface tension	No data available

## SECTION 10: Stability and reactivity

10.1. Reactivity	
	No data is available on this product.
10.2. Chemical stability	
	Stable under normal conditions.
10.3. Possibility of hazardous r	eactions
	No data is available on this product.
10.4. Conditions to avoid	
	No data is available on this product.
10.5. Incompatible materials	
	No data is available on this product.
10.6. Hazardous decomposition	n products
	No data is available on this product.
SECTION 11: Toxicological information	

#### 11.1. Information on toxicological effects

# Revision 1

Revision date 2015-05-20

11.1. Information on toxicological effects			
Acute toxicity	No data is available on this product.		
11.1.4. Toxicological Information	n		
	No data available		
SECTION 12: Ecological info	prmation		
12.1. Toxicity			
	No data available		
12.2. Persistence and degradab	ility		
	No data is available on this product.		
12.3. Bioaccumulative potential			
	No data is available on this product.		
Partition coefficient			
	POWER PROOF CLP No data available		
12.4. Mobility in soil			
	No data is available on this product.		
12.5. Results of PBT and vPvB			
	No data is available on this product.		
12.6. Other adverse effects			
	No data is available on this product.		
SECTION 12: Dispassi sana			
SECTION 13: Disposal cons 13.1. Waste treatment methods			
Disposal of packaging	Dispose of in compliance with all local and national regulations.		
Disposal of paskaging	Do NOT reuse empty containers.		
SECTION 14: Transport info			
14.6. Special precautions for us			
	No data is available on this product.		
14.7. Transport in bulk accordin	g to Annex II of MARPOL 73/78 and the IBC Code		
	No data is available on this product.		
ADR/RID			
IMDG	The product is not classified as dangerous for carriage.		
ΙΑΤΑ	The product is not classified as dangerous for carriage.		
	The product is not closeified as departure for corrigge		
Further information	The product is not classified as dangerous for carriage.		
	The product is not classified as dangerous for carriage		
	The product is not classified as dangerous for carriage.		
SECTION 15: Regulatory info			
-	mental regulations/legislation specific for the substance or mixture		
Regulations	REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of		

Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC

# POWER PROOF CLP

#### Revision 1 Revision date 2015-05-20

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

ation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94
6/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC,
COMMISSION REGULATION (EU) No 453/2010 of 20 May 2010
o 1907/2006 of the European Parliament and of the Council on the
nd Restriction of Chemicals (REACH), establishing a European
g Directive 1999/45/EC and repealing Council Regulation (EEC) No
ulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and
5/EEC, 93/67/EEC, 93/105/EEC and 2000/21/EC.

## Further information

No Significant Hazard.

SECTION 16: Other information		
Other information		
Revision	This document differs from the previous version in the following areas:. 11 - 11.1.4. Toxicological Information. 12 - 12.1. Toxicity.	
Text of Hazard Statements in Section 3 Further information	Skin Irrit. 2: H315 - Causes skin irritation. Eye Dam. 1: H318 - Causes serious eye damage.	
	The information supplied in this Safety Data Sheet is designed only as guidance for the safe use, storage and handling of the product. This information is correct to the best of our knowledge and belief at the date of publication however no guarantee is made to its accuracy. This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any other process.
