

INFORMATION ON ADMISSION TO TRADING
Surface PRIMER

P.P.H. ALCHEM hereby informs that under the regulations on construction products' admission to trading, the **primer coats** are subject neither to the Polish Act on construction products of 16 April 2004 (*Journal of Laws No. 92/2004, item 881*) nor implementing regulations thereto (i.e. Polish Regulation of the Minister of Infrastructure of 11 August 2004 on the methods of declaring conformity of construction products and marking them with construction products mark (*Journal of Laws No. 198, item 2041*), and Regulation of the Minister of Infrastructure of 11 August 2004 on the system for the assessment of conformity and requirements to be satisfied by notified entities that participate in the assessment of conformity and the method of marking construction products with the CE mark (*Journal of Laws No. 195, item 2011*)).

The aforementioned statement is justifiable by the fact that the primer coats are not listed among the products covered by the mandates issued by the European Commission to prepare the European harmonized standards or guidelines for European Technical Approvals (*announcement of the Polish Minister of Infrastructure of 5 July 2004 - the Official Gazette "Monitor Polski" No. 32/2004, item 571*).
